

## Behind-the-Wheel Practice Log – 30 Hours

The 30 hours of behind-the-wheel practice must be completed under the supervision and presence of an adult who is 21 years old or older, and has been licensed to drive for a minimum of one year. Only one hour of behind-the-wheel practice per day will count towards the 30 hours regardless of the number of hours your student drives in one day. *You must bring this completed log with you to the Texas Department of Public Safety when your student applies for their Texas Provisional License.*
